How OUR community can prepare for this Event:

- From April 5 to April 9, 2024, people should have a supply of food, water, fuel, medication, and etc.
- Some services/businesses may be closed or have limited hours
- Schedule errands and appointments 5-7 days prior
- Consider possible fuel shortages in the area
- Prepare for limited cellular service especially during the Eclipse Event
- Know when it is appropriate to call 911 (true emergencies)
 - Non-Emergency Number: 325-648-2245
- Expect traffic changes and delays
- Be mindful of Texas "Move Over" Law
- Keep emergency vehicles in mind when parking
- Parking may be limited
- Do not trespass on public properties that are closed
- Do not trespass on private property
- DO NOT look at the eclipsed sun without proper optical devices
