

PUBLIC NOTICE

To be displayed until June 16, 2025

At its Feb. 20, 2025 meeting, the Lower Colorado Regional Water Planning Group (Region K) approved its Initially Prepared 2026 Region K Water Plan (IPP). Region K also authorized its administrative agent, the Lower Colorado River Authority (LCRA), to submit the IPP on or before March 3, 2025. The IPP was submitted to the Texas Water Development Board on March 3, 2025.

A list of depositories and a copy of the IPP are available on the RWPG website at <https://www.regionk.org/2026-plan>. This link to the IPP can be accessed via the following QR code:

A link to this IPP and the plans for other regions can be found on the TWDB website: <http://www.twdb.texas.gov/waterplanning/rwp/plans/2026/index.asp>

By issuance of this Public Notice, a 30-day pre-public hearing comment period is currently active until the date of the IPP Public Hearing. The public comment period will continue for no less than 60 days after the date of the IPP Public Hearing.

Written comments may be submitted anytime from the date of this notice until June 16, 2025, to Region K's administrative agent, LCRA (details provided below).

Written and oral comments also will be accepted at the following hearings and meetings.
